

# Key OSCAR Statistics

**Fiscal Year 2013**

Administrative Office of the United States Courts

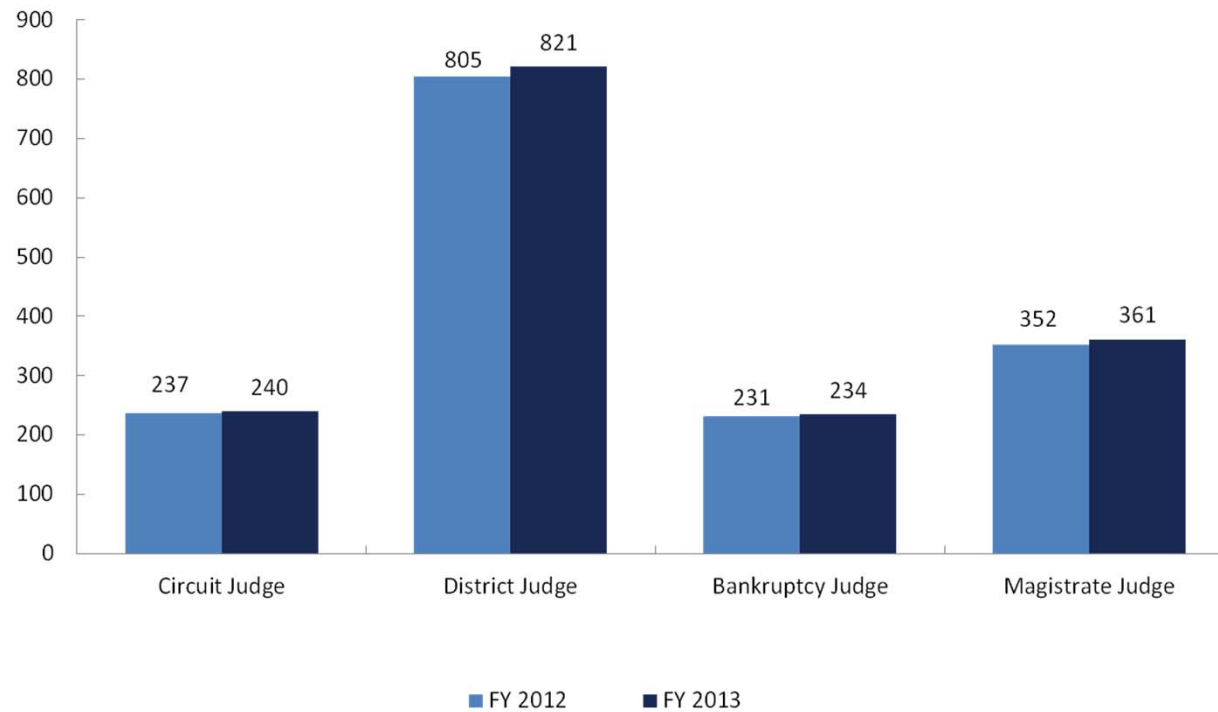

# Judge Participation in OSCAR

**Finding:** 1,661 of 2,321 judges (72 percent) now participate in OSCAR, representing a 2-percent increase from FY 2012.

*Note:* Designation of judge participation in OSCAR is based on a judge registering for an account and maintaining a profile.

## Total Participation by Judge Type (FY 2012 vs. FY 2013)

**Finding:** Slight increases seen in participation across judge types from FY 2012.

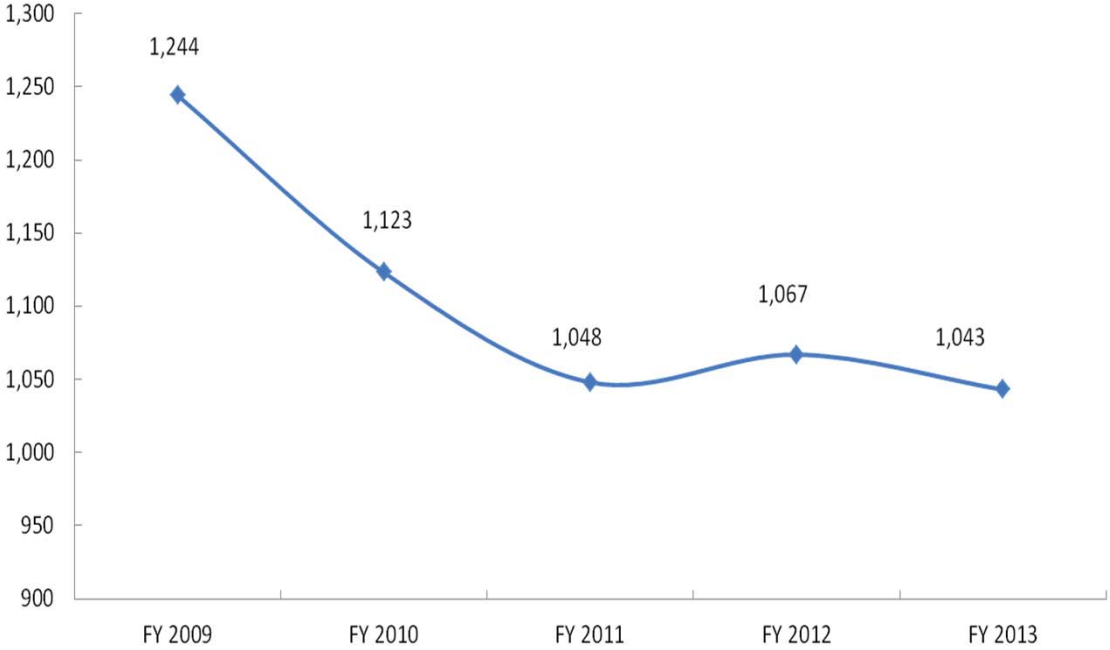

Circuit Judges – 91 percent participation

District Judges – 80 percent participation

Bankruptcy Judges – 61 percent participation

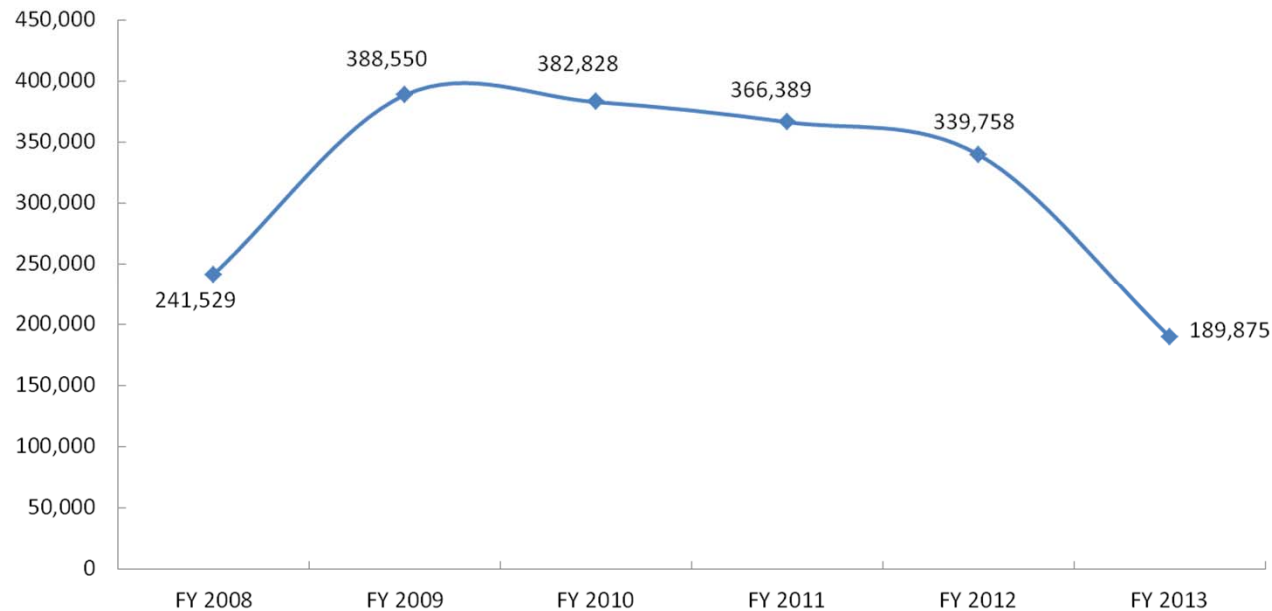

Magistrate Judges – 58 percent participation

# New Position Postings (FY 2009 - FY 2013)

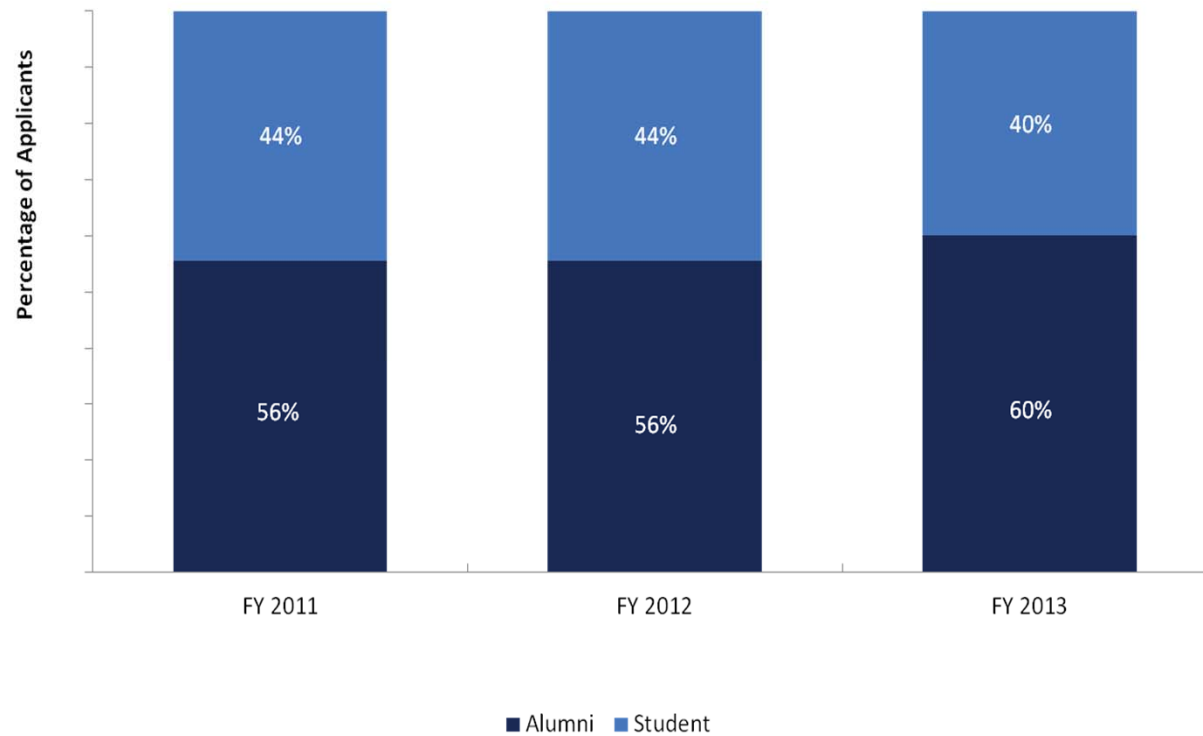

**Finding:** Position postings remained steady between FY 2011 and FY 2013 after declining from the peak in FY 2009. Some position postings may be for more than one clerkship position.

# Total Online Applications (FY 2008 - FY 2013)

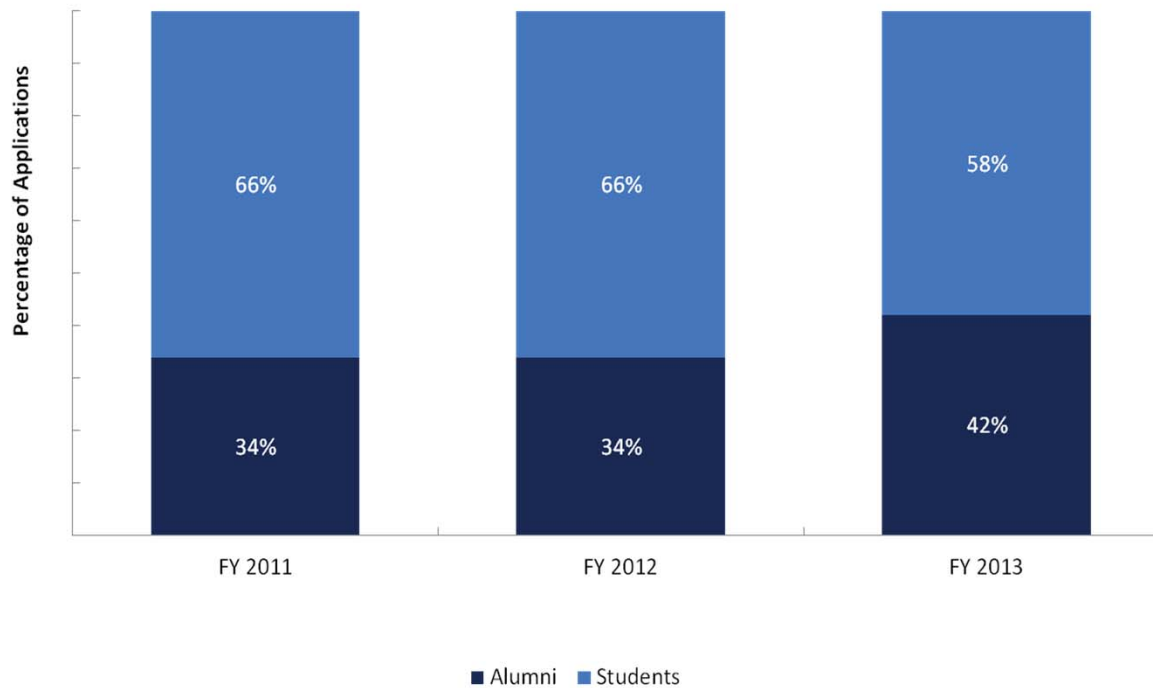

**Finding:** Total online applications dropped 44 percent in FY 2013. This reflects both a drop in the total number of applicants and a shift to paper applications for some judges who wished to avoid the constraints of the Hiring Plan release dates. Additionally, OSCAR instituted a 100-application limit in April 2013 with the release of Version 7.

# Percentage of Student and Alumni Applicants (FY 2011 - FY 2013)

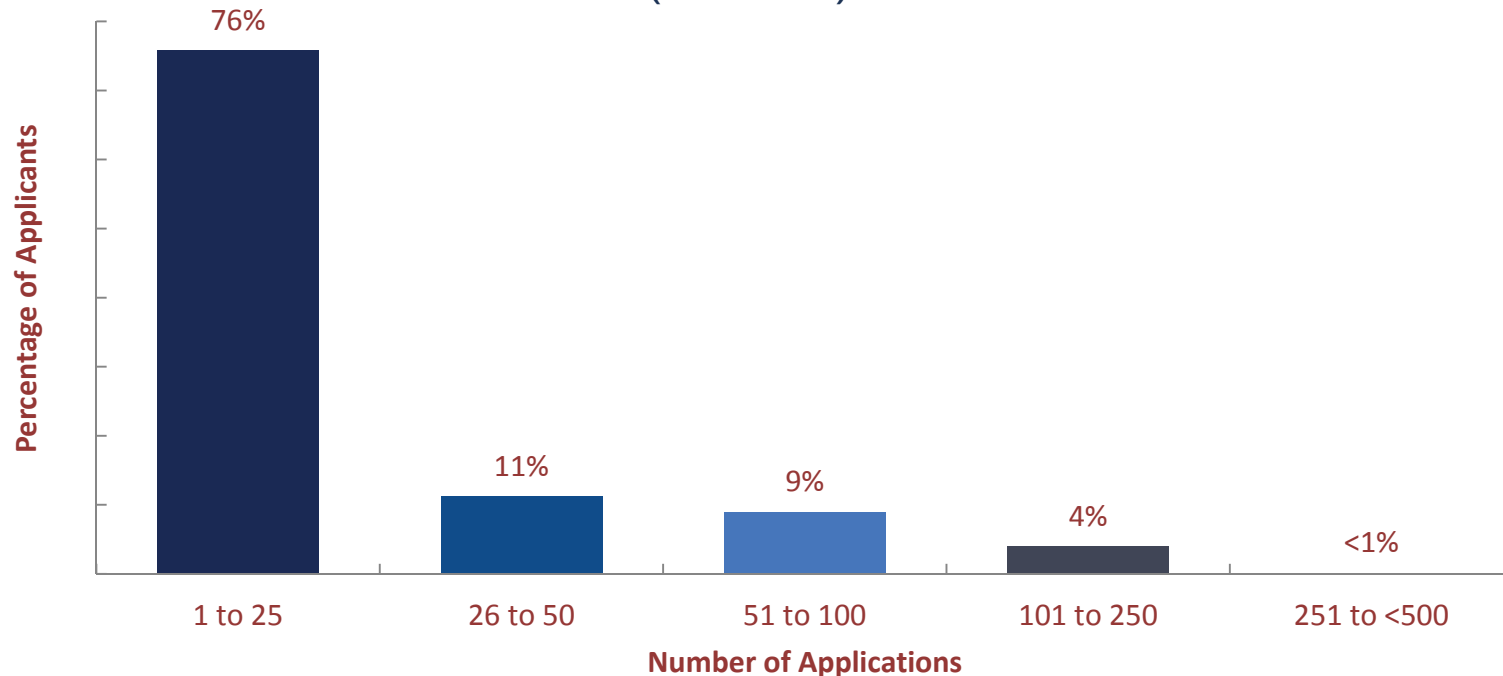

# Percentage of Applications by Student and Alumni Applicants (FY 2011 - FY 2013)

**Finding:** The number of applications created by alumni applicants increased from 34 percent in FY 2012 to 42 percent in FY 2013; however, student applicants continue to create the most applications.

# Range of Applications Per Applicant (includes draft applications)

(FY 2013)

**Finding:** Eighty-seven percent of the applicants created fewer than 50 online applications in FY 2013, increasing from 84 percent in FY 2012. Fewer than 5 percent of the applicants created more than 100 applications (including draft applications), decreasing from 9 percent in FY 2012.

*Note:* The chart includes the period before the introduction of the 100 application limit for finalized applications. The chart also captures the draft applications, which are not limited by OSCAR.
