

NextGen OSCAR

Key Enhancements

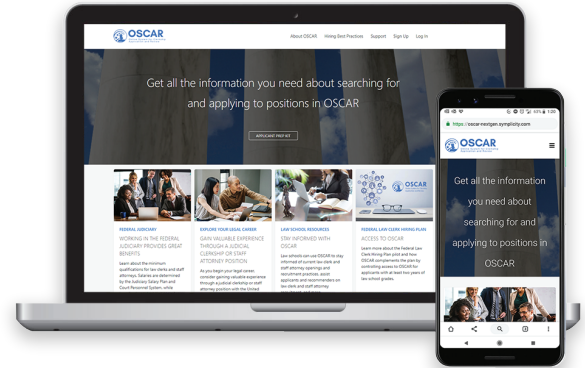

New Web Design

<https://oscar.uscourts.gov>

Current OSCAR

NextGen OSCAR

Account Management

Account username is
your email address

No more
security questions

Simpler password
reset process

Folders have been removed and
replaced with tagging

Tagging

- Label and organize your applicants
- Create custom tags such as "Good Resume" or "Location"
- Tag applicants to allow filtering

Custom tags can be created
with custom colors

Mobile Responsive

Access OSCAR from your
tablet or smart device

Improved Alerts

Improved system notifications,
alerts, and messaging

Search Optimization

Streamlined searches
through advanced filters

Judges Profile

Hiring Practices

Updating your Hiring Practices is easier with 4 preset options:

- ☒ I am currently hiring and accepting applications.
- ☐ I am not currently hiring.
- ☐ I do not use OSCAR for law clerk hiring.
- ☐ I only have permanent clerks.

Chambers Staff Accounts

Simpler account management with only 2 levels of user roles:

Permanent

Temporary

Position Postings

Auto-Save

Positions auto-save when creating drafts

Preview

Option to preview the position as an applicant would see it

Applicant List

Streamline searches through the use of filters

Simpler batch options

Tags to easily organize applications

Centralized view of applicant details

About OSCAR

The Online System of Clerkship Application and Review (OSCAR) is a secure, user-friendly, web-based system for federal law clerk and appellate staff attorney hiring. OSCAR's extensive set of features allows users to easily manage every aspect of the hiring and application process. All OSCAR policies, operations, and federal law clerk hiring best practices are governed by the OSCAR Working Group, a committee made up of federal judges and law school representatives.

Contact Us

For more information or to schedule one-on-one training, contact the OSCAR Program Office at the Administrative Office of the United States Courts, Monday through Friday, 8:00 a.m. - 5:00 p.m. (Eastern Time).
