

OSCAR System Archiving Restoring an Archived Applicant Account

To restore your archived applicant account:

1. Using your most recent login information, log into OSCAR.
2. The system will prompt you to complete a brief account registration.
3. If your email address matches the email address used in your previous account registration, your OSCAR applicant account will be restored with the following stipulations:
 - a. Prior applications will NOT be restored.
 - b. All application materials will be restored under the My Documents tab of your account.
