

PREPARING FOR 2017 OSCAR SYSTEM ARCHIVING

WHAT DO WE DO?

WHAT CAN YOU DO?

NOVEMBER 27

All currently archived 2016 applicant accounts (including application and all applicant-related materials) are deleted.

Download 2016 archived applications and applicant information for your records prior to November 27.

DECEMBER 1

Unused applicant accounts (accounts without applications or materials associated with them) are deleted.

Emails will be sent to users with notifications of all actions prior to each date.

Unused recommender accounts (accounts without any recommendation letters associated with them) are deleted.

DECEMBER 11

2017 clerkship positions filled/expired as of June 30, 2017 are archived.

Download 2017 filled/expired positions for your records and run any reports that include this data prior to December 11.

Applications associated with positions filled/expired as of June 30, 2017 are archived.

Download applications submitted to posted positions for your records and run any reports that include this data prior to December 11.

DECEMBER 14

Applicant accounts with no registered account activity for one year are archived.

Download applicant account materials for your records prior to December 14.

Recommender accounts with no registered account activity for one year are archived.

Applicant accounts can be restored (without previous applications) upon login.

Download recommendation letters and templates for your records prior to December 14.

Recommender accounts can be restored (without recommendation letters) by the request of a new recommendation, or by contacting the Help Desk.
